

Seller Authorization for Pre-Purchase Vehicle Inspection

LockNCal - Limited Property and Vehicle Access Authorization

Important: The buyer/person booking the inspection is responsible for the accuracy of the vehicle and location information and for arranging this authorization in advance.

By signing below, I confirm that I have lawful authority to allow LockNCal to access the vehicle and the property where it is located for the related Pre-Purchase Vehicle Inspection requested by a prospective buyer or authorized representative.

Authorization

- Enter the property or lot where the vehicle is located at the agreed inspection time.
- Access the vehicle and open standard access points such as doors, hood, trunk, hatch, and glovebox as reasonably necessary.
- Connect diagnostic/scanning equipment where possible and inspect visible and reasonably accessible vehicle areas.
- Take photos, notes, scan results, and other documentation related to the inspection.
- Temporarily remove and reinstall limited non-destructive panels, trim pieces, covers, or accessories when reasonably necessary to complete the inspection.

Limits of This Authorization

This authorization is limited to the related Pre-Purchase Vehicle Inspection only. It does not authorize repairs, part installation, destructive testing, invasive disassembly, or modifications unless separately authorized in writing.

Seller Representations

- I have the legal right and authority to grant this authorization.
- The vehicle will be present and reasonably accessible at the scheduled inspection time.
- Required keys or basic access will be available if needed for the inspection.
- If I do not have authority to grant this permission, I should not sign this form.

Release for Authorized Inspection Activity

To the fullest extent permitted by law, I agree not to make a claim against LockNCal, its owners, technicians, contractors, partners, or affiliates for entering the property, accessing the vehicle, scanning the vehicle, documenting findings, or performing the limited authorized non-destructive access/removal described above, so long as such actions are reasonably related to the inspection and performed in good faith. This does not release LockNCal from liability for gross negligence, willful misconduct, or intentional damage.

Validity

This authorization applies only to the related Pre-Purchase Vehicle Inspection booking and any reasonable rescheduled appointment for the same booking, unless revoked in writing before LockNCal arrives on-site.
